# All About Shirah Ramaji

Shirah Ramaji is an awesome person in TCF! Her opinion for TCF are awesome too! This is what she thinks about TCF: I love it! It has been a great blessing to be a part of TCF family. I have made great friends, learned about God, and many more. One funny thing that happened is that I accidentally asked her What did you study and what job do you have? Because that is what I ask all the adults. She answered, 4th grade and I have no job at the moment. My dream job is to be a singer or songwriter. Shirah is from O'Fallon and goes to Emge Elementary School. Shirah's hobbies are Reading, watching TV, and singing. She would like to go to India, Jamaica, or Florida for vacation. Shirah is a fan of most shades of blue. Her favorite sport is basketball, and she plays or used to play basketball, swimming, and soccer. This is what Shirah says is her most memorable day: My ninth birthday. It was very memorable because all of my friends and TCF family came and we had such a good time in fellowship and prayer, and afterwards, when we played in my backyard. Shirah's role models are her dad, mom, and God. She wants to be like them in every way that is possible. And lastly but not leastly, Shirah's favorite bible verse is John 3:16. Shirah is an awesome kid!

## A little History...

Here is a little History about St. Patrick's Day. There was a boy named Maewyn Succat. When he was a kid, he got kidnapped by Pirates. The pirates took Maewyn from England to Ireland. When he reached, he got sold as a slave. His name was then changed to "Pig Boy" because one of his jobs was to feed the pigs. The people of Ireland practiced a religion called Paganism. They prayed to things like twigs and rocks. Soon Pig Boy began to miss his home and feel lonely. He started to pray. He prayed almost all the time. Soon he was praying 100 times a day! One day God told him that he was ready to leave, so Pig Boy walked for about 200 miles to the ocean. Then he got on a boat and sailed back to England. One night he had a dream that the people of Ireland were calling him back to tell him about God. He decided to wait until he finished school. Soon he became a Pope and his name got changed to Patrick. Finally he went back to Ireland to tell people about Jesus. He used the Shamrock to teach people about the three-parts of the trinity. On March 17, in the year 416, Patrick died at the age of 73. God had blessed him, just as he had blessed the people of Ireland.

Sing Hallelujah!

*Have A Great Month!!!!*
